

# Experience a Northeast Semester

HARTWICK  
COLLEGE

est. 1797

[www.hartwick.edu/northeastsemester](http://www.hartwick.edu/northeastsemester)

**Hartwick College's Northeast Semester** offers international students the **opportunity to study on campus in Oneonta, New York, USA** for either **one semester** or a **full academic year** and **transfer credits earned back to their home institution**. In addition to registering for and taking classes like other Hartwick students, those enrolled in this special program will also **enjoy a cultural immersion program** that includes **travelling to various exciting U.S. destinations**.

## Why study at Hartwick College?

Founded in 1797, Hartwick College is one of the most historic institutions of higher education in the United States. From a beautiful hillside location in the foothills of the Catskill Mountains in New York, Hartwick's campus offers a view to behold, especially during the transition from summer to fall when leaf foliage turns yellow/gold. With its wide array of programs of study rooted in hands-on learning, Hartwick is a vibrant academic community with a reputation for academic excellence and innovation.

## Excursions and Activities

Hartwick College is within driving distance from many destinations of historical and cultural importance in the U.S. We organize excursions to New York City, Philadelphia, Washington DC, Boston, and Niagara Falls, NY. For an additional fee, interested semester and year-long students may sign up for one of our January Term credit-bearing courses to destinations within the U.S., which are offered during the month of January. For more information, email [globaleducation@hartwick.edu](mailto:globaleducation@hartwick.edu).

## Accommodations, Activities, and Dining

Students in Hartwick College's Northeast Semester program are guaranteed on-campus housing. Here, you'll be part of our secure and vibrant community with access to all the campus privileges available to degree-seeking students. These include access to student organizations, academic advising, library, fitness center, sporting events, art and music performances, plays, lectures, movie nights, community service, service learning, and connection to the rest of the student body, including international students from 20 different countries.

Northeast Semester students will have access to Hartwick's excellent dining facilities with unlimited access to Hartwick's all-you-can-eat dining hall, The Commons. Customized menus are available for all those who have medically-supervised dietary needs—everything from a complete individual menu to minor accommodations to the current menu options.

## Pine Lake Environmental Campus

Northeast Semester students have the option of residing at Hartwick College's Pine Lake Environmental Campus, which provides students with opportunities for hands-on research, academic study, and self-discovery. Pine Lake is a place to learn about the natural environment, the history of human land use, and much more. It offers an alternative to our main campus residence halls. Students and guests can live in and learn in a natural lakeside setting, with several rustic and sustainably-built lodging options.
