

HARTWICK
COLLEGE

est. 1797

Hello Hawks!

I hope everyone is having a safe, healthy, and relaxing summer. Hartwick College is deeply committed to establishing an educational environment that is free from all forms of discrimination, harassment, and retaliation, including sexual assault. We promote a supportive community that fosters safety and healthy relationships.

As an upper-class student, you play an important role in maintaining a safe and healthy campus environment. To promote this shared understanding among all students, Hartwick is continuing to require that all returning students participate in ongoing sexual assault prevention training. This important training, is designed to increase your awareness of sexual assault prevention and provide you with the skills to effectively support each other.

On August 15, 2021 you will begin receiving email invitations to participate in an online training titled "Sexual Assault Prevention Ongoing: Taking Action." Every returning student must complete this training by **September 15, 2021!**

This training is extremely important. Every student that completes the training before September 15th will be automatically entered into a raffle to win many prizes which include a ROKU stick, wireless speaker, wireless headphones, a Star Wars Lego set, and more.

Students that do not complete the training by September 15, 2021 may have a hold placed on their student account or have their WICKit Card deactivated until the training is complete.

Instructions on how to complete this important program will be emailed to your Hartwick account.

Questions or inquiries about this requirement can be directed to Michael Arno, Title IX Coordinator/College Compliance Officer at 607-431-4293 or titleix@hartwick.edu. Thank you in advance for your continued commitment to keeping Hartwick safe!

Sincerely,

Michael Arno
Title IX Coordinator & College Compliance Officer
