PREFACE

- **Hartwick College (“Hartwick”) students, groups and organizations are responsible for knowing the information, policies and procedures outlined in this document.**
- Students at Hartwick are provided a copy of the Code annually in the form of a link on Hartwick’s website. Hard copies are available upon request from the Office of Student Experience. Students are responsible for having read and abiding by the provisions of the Code.
- There is no time limit on reporting violations of the Code; however, the longer someone waits to report an offense, the harder it becomes for Hartwick officials to obtain information and witness statements and to make determinations regarding alleged violations.
- Though anonymous complaints are permitted, doing so may limit Hartwick’s ability to investigate and respond to a complaint. Those who are aware of misconduct are encouraged to report it as quickly as possible to Campus Safety, Residential Life staff, the Office of Student Experience and/or the Assistant Vice President for Student Experience (AVPSE). If you choose to report through Hartwick’s Silent Witness Program, you may do so by clicking the following link:
<http://info.hartwick.edu/forms/silentwitnessform.html>
- Hartwick’s email system is Hartwick’s primary means of communication with students. Students are responsible for all communication delivered to their Hartwick email address.
- This Code of Student Conduct (“Code”) is not to be regarded as a contract between a student and the College. Hartwick reserves the right to make changes to the Code and once those changes are posted online, they are in effect. Students, groups and organizations are encouraged to check online for the updated versions of all policies and procedures.

CORE VALUES OF STUDENT CONDUCT AT HARTWICK

- **Integrity.** Hartwick students exemplify honesty, honor and a respect for the truth in all of their dealings.
- **Community.** Hartwick students build and enhance their community.
- **Social Justice.** Hartwick students are just and equitable in their treatment of all members of the community and act to discourage and/or intervene to prevent unjust and inequitable behaviors.
- **Respect and Civility.** Hartwick students show positive regard for each other, for property and for the community. Students will conduct themselves and treat others in a polite, reasonable and respectful manner.
- **Responsibility.** Hartwick students are given and accept a high level of responsibility to self, to others and to the community.

SECTION 1: OFFICE OF STUDENT CONDUCT: MISSION AND PHILOSOPHY**I. Mission Statement**

Hartwick College's Office of Student Experience collaboratively connects, supports, and educates students through engaging opportunities that foster inclusive communities, confidence and life skills.

II. Philosophy Statement

The Hartwick community is committed to fostering a campus environment that is conducive to academic inquiry, a productive campus life and thoughtful study and discourse. The student conduct program within the Office of Student Experience is committed to an educational and developmental process that balances the interests of students, groups and organizations with the interests of the Hartwick community.

A community exists on the basis of shared values and principles. At Hartwick, students, groups and organizations are expected to uphold and abide by certain standards of conduct that form the basis of the Code. These standards are embodied within a set of core values that include integrity, social justice, respect and civility, community and responsibility.

Each student, as a community member, has the right of freedom of speech and peaceful assembly, except where such rights conflict with the good of the community, and are in direct conflict with how Hartwick defines appropriate behavior. Each member of the Hartwick community bears responsibility for their conduct and to assume reasonable responsibility for the behavior of others. When members of the Hartwick community fail to exemplify the five (5) core values by engaging in a violation of the rules or expectations, campus proceedings are used to assert and uphold the Code and expectations of the community.

The student conduct process at Hartwick is not intended to punish students, groups or organizations; rather, it exists to protect the interests of the community and to challenge those whose behavior is not in accordance with our policies. Educational Outcomes are intended to challenge students' moral and ethical decision-making and to help them bring their behavior into accord with Hartwick's expectations. When a student is unable to conform their behavior to Hartwick's expectations, the student conduct process may assist Hartwick in determining if the student should continue to share in the privilege(s) afforded to those participating in the Hartwick community.

Students should be aware that the student conduct process is different from criminal and civil court proceedings. Procedures and rights in student conduct procedures are

conducted with fairness to all, but do not include the same protections of due process afforded by the courts. Due process, as defined within these procedures, assures notification and a hearing before an objective decision-maker. No student, group or organization will be found in violation of a Hartwick policy without information showing that it is *more likely than not* that a policy violation occurred and any Educational Outcome will be proportional to the severity of the violation and to the cumulative conduct history of the student, group or organization.

SECTION 2: JURISDICTION

I. Who is Covered by the Code

For the purposes of student conduct, Hartwick considers an individual to be a student when an offer of admission has been extended and thereafter as long as the student has a continuing educational interest in Hartwick.

The Code and the student conduct process apply to the conduct of:

- All students and all Hartwick-affiliated student groups or organizations on campus and off-campus.
- Students who choose to take a leave of absence, withdraw or have graduated for any misconduct that occurred prior to the leave, withdrawal or graduation.
- An accused student that takes a leave of absence or withdraws, the College may continue the conduct process in its discretion.
- For the purposes of student conduct, Hartwick considers an individual to be a student when an offer of admission has been extended and thereafter as long as the student has a continuing educational interest in Hartwick.

II. The Conduct Process in Conjunction with a Leave, Withdrawal, or Departure from Hartwick College

The outcome of the conduct process will take precedence over any leave, withdrawal or departure from the College, which may include graduation, until all allegations are resolved.

- In addition, the College may preclude a student, subject to allegations of violations, from graduating until the allegations are resolved.
- If Educational Outcomes are identified, a hold may be placed on the student's ability to re-enroll and/or obtain official transcripts and/or graduate and all Educational Outcomes must be satisfied prior to re-enrollment eligibility.
- In the event of serious misconduct committed while still enrolled but reported after the accused student has graduated, Hartwick may invoke these procedures; should the former student be found responsible, Hartwick may revoke that student's degree.

III. The Conduct Process in Conjunction with Off-Campus Conduct

All Hartwick College students, affiliated student groups, organizations and athletic teams are required to adhere to the Student Code of Conduct at all times, whether they are on or off-campus, including, but not limited to:

- Any situation where it appears that the student's conduct may present a danger or threat to the health or safety of the student or others; or
- Any situation that significantly impinges upon the rights, property or achievements of self or others or significantly breaches the peace and/or causes social disorder; or
- Any situation that is detrimental to the educational mission and/or interests of Hartwick.

The Code may be applied to behavior conducted online, via email or any other electronic medium.

- Students should also be aware that online postings such as blogs, web postings, chats and social networking sites are in the public sphere and are not private.
- These postings can subject a student to allegations of conduct violations if evidence of policy violations is posted online.
- Hartwick does not regularly search for this information, but may take action if and when such information is brought to the attention of Hartwick officials.

IV. Additional Parties Covered by the Code

The Code also applies to guests of Hartwick College students. The Hartwick College student host may be held accountable for the misconduct of their guests.

The Code may also be applied to high school bridge/extension/partner/dual-credit and continuing education students and SUNY Oneonta and Hartwick exchange program students.

Visitors to and guests of Hartwick may seek resolution of violations of the Code committed against them through the processes outlined herein.

V. Handling of Violations of the Code of Student Conduct and the Sexual Misconduct Policy

If a student is charged with policy violations under both the Code of Student Conduct and the Sexual Misconduct Policy, the alleged violations will be handled through one process, engaging both the Title IX Coordinator and the AVPSE or designee.

In circumstances where there is a conflict between the procedures and/or processes set forth in the Code and those set forth in the Sexual Misconduct Policy, the procedure or process outlined in the Sexual Misconduct Policy will take precedence. If there is no procedure or process outlined in that policy to address the issue at hand, the process outlined in the Code of Student Conduct will be used.

The full text of the Sexual Misconduct Policy can be found at www.hartwick.edu/titleix.

SECTION 3: VIOLATIONS OF THE LAW

Alleged violations of federal, state and local laws may be investigated and addressed under the Code. When an offense occurs over which Hartwick has jurisdiction, the student conduct process will usually go forward notwithstanding any criminal complaint that may arise from the same incident.

Hartwick reserves the right to exercise its authority of interim suspension upon notification that a student is facing criminal investigation and/or complaint (additional grounds for interim suspension are set forth herein).

Students accused of crimes may request to take a leave from Hartwick until the criminal charges are resolved. In such situations, Hartwick's procedure for voluntary leaves of absence is subject to the following conditions:

- The responding student must comply with all campus investigations; and
- The responding student must comply with all interim actions and/or restrictions imposed during the leave of absence; and
- The responding student must agree that, in order to be reinstated to active student status, they must first be subject to, and fully cooperate with, the student conduct process and must comply with all Educational Outcomes that are imposed.

The AVPSE or designee is responsible to oversee and manage the student conduct process and has discretionary authority to interpret and construe any uncertain or disputed aspects of the process. The AVPSE or designee may appoint members of the community, as deemed necessary, in order to efficiently and effectively assist in the administration of the student conduct process. The AVPSE or designee will assume responsibility for the investigation of all allegations of misconduct to determine if the complaint of misconduct has merit.

B. Hartwick as Convener

There is an investigator(s) whose role is to present the allegations and share the evidence that Hartwick has obtained regarding the allegations.

D. Procedural Advisors

Throughout the student conduct process, students are permitted to identify a Procedural Advisor to assist them. Procedural Advisors may assist students in all meetings during the student conduct process. Typically, Procedural Advisors are members of the Hartwick community, but students may select whomever they wish to serve as their Procedural Advisor. The Procedural Advisor is not permitted to make a presentation or represent the students involved at any level of

the process. They may confer quietly with their advisee, exchange notes, and clarify procedural questions.

If a student does not have someone whom they know who can serve as their Procedural Advisor, they may request a Procedural Advisor at which time the AVPSE or designee will produce a list of names they can select from. Typically, when a Procedural Advisor is provided by the AVPSE or designee, they will be someone who is not already directly or indirectly, when possible, involved with the case.

E. Maxient as Student Conduct Database and Communication Tool

Maxient Conduct Manager has been procured for use at Hartwick College to provide a web-based program used to track student conduct records and facilitate all communications for students related to the student conduct process and procedures. Any electronic communication sent from Maxient to a student, should be opened, read and followed up on.

F. Group Violations

A student group or organization and its officers and membership may be held collectively and/or individually responsible when violations of this Code by the organization or its member(s):

- Take place at organization-sponsored or co-sponsored events, whether sponsorship is formal or tacit;
- Have received the consent or encouragement of the organization or of the organization's leaders or officers; or
- Were otherwise reasonably foreseeable to the membership or its officers, and the membership or officers failed to take reasonable steps to prevent the violation(s).

During a student conduct hearing for a student, group or organization, individual determinations as to responsibility will be made and Educational Outcomes may be assigned collectively and/or individually and will be proportionate to the involvement of each individual and the organization. For purposes of this Section of the Code, all references to a "responding student," unless specifically stated otherwise, reference any student with charges for a policy violation and shall also refer to Hartwick student groups and organizations.

G. Amnesty

1. For Victims

Hartwick provides amnesty to victims who may be hesitant to report to Hartwick officials because they fear that they themselves may be accused of minor policy violations, such as underage drinking, at the time of the incident.

2. For Those Who Offer Assistance

To encourage students to offer help and assistance to others, Hartwick pursues a policy of amnesty for minor violations when students offer help to others in need. At the discretion of the AVPSE or designee, amnesty may also be extended on a case-by-case basis to the person receiving assistance.

3. For Those Who Report Serious Violations

Students who are engaged in minor violations but who choose to bring related serious violations by others to the attention of Hartwick are offered amnesty for their minor violations.

Abuse of amnesty requests can result in a decision by the AVPSE or designee not to extend amnesty to the same person repeatedly.

4. Safe Harbor

Hartwick has a Safe Harbor rule for students. Hartwick believes that students who have a drug and/or addiction problem deserve help. If any Hartwick student brings their own use, addiction, or dependency to the attention of Hartwick officials outside the threat of drug tests or conduct Educational Outcomes and seeks and completes assistance, a conduct complaint is likely not to be pursued. A written action plan may be used to track cooperation with the Safe Harbor program by the student, and appropriate waivers may be sought to verify follow through of the action plan. Failure to follow the action plan will nullify the Safe Harbor protection and campus conduct processes will be initiated.

II. Reporting of Alleged Violations

Any member of the Hartwick community, visitor or guests may allege a policy violation(s) by any student, group or organization for misconduct under this Code by reporting the alleged conduct to Campus Safety, the AVPSE or designee and/or to the Title IX Coordinator, when

appropriate and/or through Hartwick's Silent Witness Program, you may do so by clicking the following link: <https://info.hartwick.edu/forms/silentwitnessform.html>.

Any victim or third party may allege a policy violation(s) by any student, group or organization for misconduct under this Code by reporting the alleged conduct to Campus Safety, the AVPSE or designee and/or to the Title IX Coordinator, when appropriate and/or through Hartwick's Silent Witness Program, you may do so by clicking the following link: <https://info.hartwick.edu/forms/silentwitnessform.html>.

All allegations should be submitted as soon as possible after the offending event occurs.

Hartwick has the right to pursue an allegation or notice of misconduct on its own behalf and to serve as convener of the subsequent campus conduct process.

III. Notice of An Alleged Violation

Once notice is received from any source (victim, incident report, third party, online, etc.) of an alleged violation of the Code by any student, group or organization, Hartwick shall notify such student, group or organization of the allegations at issue as appropriate.

IV. Interim Action

Under the Code, the AVPSE or designee may impose restrictions and/or separate a student, group or organization, from the community pending the completion of its investigation into the matter if Hartwick has a reasonable basis to believe that the student, group or organization represents a threat of harm to self or others, is facing allegations of criminal activity, to preserve the integrity of an investigation, to preserve Hartwick property and/or to prevent disruption of, or interference with, the normal operations of Hartwick.

Interim actions can include separation from Hartwick or restrictions on participation in the community pending the scheduling of a campus hearing on alleged violation(s) of the Code.

A student, group or organization who receives an interim suspension may request a meeting with the AVPSE or designee to demonstrate why they believe an interim suspension is not merited. Regardless of the outcome of this meeting, Hartwick may still proceed with the student conduct process.

V. Investigation

The Assistant Vice for Student Experience or designee will appoint an investigator(s) for all allegations of misconduct under this Code. The following steps will be taken, if not already completed:

- 1) Initiate any necessary interim actions;
- 2) Determine the identity and contact information of the party bringing the complaint, whether that person is the initiator of the complaint, the alleged victim, or a Hartwick proxy or representative;
- 3) Conduct an immediate preliminary investigation to identify an initial list of all policies that may have been violated, to review the history of the parties, the context of the incident(s), any potential patterns and the nature of the complaint;
 - a) If the victim is reluctant to pursue the complaint, determine whether the complaint should still be pursued and whether sufficient independent evidence could support the complaint without the participation of the victim;
 - b) Notify the victim of whether Hartwick intends to pursue the complaint regardless of their involvement, and inform the victim of their rights in the process and options to become involved if they so choose;
 - c) Preliminary investigation usually takes between 1-7 business days to complete, however in some cases may take longer;
- 4) If indicated by the preliminary investigation and authorized by the AVPSE or designee, conduct a comprehensive investigation to determine if there is reasonable cause to believe that the responding student violated Hartwick policy, and determine what specific policy violations should serve as the basis for the complaint;
 - a) If there is insufficient evidence through the investigation to support reasonable cause, the allegations will be closed with no further action;
 - b) A comprehensive investigation usually takes between two weeks to 30 days;
 - i) In some cases, a comprehensive investigation can take longer due to variables out of the College's reasonable control. Every effort will be made to conclude the process within 60 days.
- 5) Meet with the complainant or party bringing the complaint to finalize their statement, which may be drawn up by the investigator as a result of this meeting;
- 6) Commence a thorough, reliable and impartial investigation;

- a) Prepare the notice of alleged policy violation(s) on the basis of the reasonable cause determination, which may be delivered prior to, during or after the responding student is interviewed, at the discretion of the AVPSE or designee;
- 7) Interview all relevant and available individuals, summarize the information;
- 8) Obtain all relevant documentary evidence and information that is available;
- 9) Obtain all relevant physical evidence that is available;
- 10) Complete the investigation promptly by analyzing all available evidence;
- 11) Present the investigation results and supporting evidence to the AVPSE or designee for review.

Should the AVPSE or designee, following receipt of the investigative report, determine based upon a preponderance of the evidence that it is not more likely than not that a policy violation has occurred, the inquiry into the complaint at issue will end and proper notification will be provided.

Upon a determination by the AVPSE or designee, following a review of the investigative report, that it is more likely than not that a policy violation has occurred, the AVPSE or designee will notify the responding student and schedule an Educational Conference with the responding student.

VI. Developmental Conversation

The purpose of the Developmental Conversation is for a Student Conduct Officer to discuss incidents that are deemed to be minor, first time offenses with the alleged policy violator(s). Notice will be in writing and may be delivered by one or more of the following methods: in person by the AVPSE or designee; mailed to the local or permanent address of the responding student as indicated in official Hartwick records; or emailed to the responding student's Harwick-issued email account via Maxient. Once mailed, emailed and/or received in-person, such notice will be presumptively delivered.

While a Developmental Conversation generally does not result in formal Student Conduct charges, Educational Outcomes can be assigned.

VII. Notice of Educational Conference

Upon a determination by the AVPSE or designee, following a review of the investigative report, that it is more likely than not that a policy violation has occurred, notice will be given to the

responding student of their right to participate in an Educational Conference with the AVPSE or designee.

Notice will be in writing and may be delivered by one or more of the following methods: in person by the AVPSE or designee; mailed to the local or permanent address of the responding student as indicated in official Hartwick records; or emailed to the responding student's Hartwick-issued email account via Maxient. Once mailed, emailed and/or received in-person, such notice will be presumptively delivered. The notice letter will:

- Include the alleged violation(s);
- Set forth the date and time of the Educational Conference;
- Notify the responding student that at the Educational Conference the AVPSE or designee will set forth the basis for the College's charges;
- Notify the responding student that at the Educational Conference they will have the opportunity to discuss with the AVPSE or designee why they maintain that they are not responsible for the charges at issue or any other mitigating factors applicable to the charges at issue;
- Inform the responding student that participating in the Educational Conference is optional; however, failure to respond will result in the matter at issue being referred directly to a hearing body; and
- Advise the responding student that at the Educational Conference they will be asked to either accept or reject the College's proposed charges and Educational Outcome. Accordingly, prior to the Educational Conference the responding student, group or organization will be advised to consult with those people he/she deems appropriate.

VIII. The Educational Conference

The purpose of the Educational Conference is so the AVPSE or designee can explain to the responding student the nature and basis for the charges at issue and the student conduct process, should the responding student elect to proceed with said process.

At the Educational Conference, the responding student will have the ability to review the documentation available relating to the charges, be provided the opportunity to set forth the basis as to why they dispute the charges at issue and provide the AVPSE or designee any information believed to be relevant to the charges at issue.

The Educational Conference is designed so that the responding student and the AVPSE or designee can engage in a less formal exchange and dialogue than what may occur if the matter is adjudicated by a hearing body.

A student may not have or make a copy, create an image or otherwise duplicate any documentation included as part of the student conduct record, however a student may take handwritten notes.

At the conclusion of the Educational Conference, the AVPSE or designee will notify the responding student of the proposed charge(s) and proposed Educational Outcome(s) for the matter in dispute. At this point in time, the responding student will have the option of:

- Accepting a finding of “responsible” and accepting the proposed Outcome(s) for all charges;
- Rejecting a finding of “responsible” and/or not accepting proposed Outcome(s) for all or some of the charge(s).

If a student chooses to accept responsibility for *some* but not all of the identified charges, the student should select option (ii) and the process will be forwarded to a hearing body. As part of the formal hearing process, a responding student will have the ability to accept responsibility for some or all of the charges identified.

In the event that the responding student accepts responsibility and accepts the proposed Outcome(s), the matter at issue is deemed fully adjudicated. A responding student who accepts responsibility, whether it is for the charge(s) at issue and/or the Outcome cannot subsequently appeal such an acceptance of responsibility.

To the extent a responding student rejects a finding of “responsible,” the final adjudication of the Outcome(s) will be decided by a hearing body. All hearing bodies are provided the discretion to render any Educational Outcome(s) they deem appropriate and are not bound by any prior proposals that may have been made by the AVPSE or designee. In the aforementioned situation, the hearing body’s Educational Outcome(s) would be the only matter that is subject to appeal.

To the extent a responding student chooses to reject responsibility for the underlying charges, the determination of responsibility, as well as the Educational Outcome, will be decided by a hearing body. All hearing bodies are provided the discretion to render any finding they deem appropriate and are not bound by any prior proposals that may have been made by the AVPSE or designee. In the aforementioned situation, a hearing body’s decision would be subject to appeal.

Lastly, to the extent the AVPSE or designee determines, based upon the information provided by the responding student during the Educational Conference, that Hartwick’s original proposed charges and/or Educational Outcome(s) may warrant modification, these modifications can be made during the Educational Conference if both parties agree or can adjourn the meeting. The AVPSE or designee will then have three (3) business days from the adjourned Educational Conference to inform the responding student of the modified charges, if any. Upon being notified

of the modified charges, if any, the responding student will have three (3) business days to either accept or reject the proposed charges and Educational Outcome(s).

IX. Hearing Bodies

At Hartwick, hearing bodies consist of three possible types: (1) Administrative Body; (2) College Hearing Board; or (3) SGA Judicial Board.

The AVPSE or designee is responsible for identifying the appropriate type of hearing body to adjudicate any and all disputes.

A. Types of Hearing Bodies

1. Administrative Body

Generally used when a responding student chooses not to contest the allegation of responsibility but merely disputes the Outcome (but may be used in other circumstances as deemed appropriate by the AVPSE or designee). Those who serve as Administrative Hearing Officers to comprise an Administrative Body are professional staff members who work within Hartwick and receive specialized training. An Administrative Body may consist of one (1) or two (2) member panels. The AVPSE or designee reserves the ultimate discretion to use an Administrative Body when the AVPSE or designee deems it appropriate to use such a hearing body as opposed to a College Hearing Board or SGA Judicial Board, in addition to determining the number of members on the body.

2. College Hearing Board

Generally used when a responding student chooses to contest all the allegations and the case is determined to be best heard by administrators, faculty or staff due to the nature of the case. The selection and training of these College Board members is the responsibility of the AVPSE or designee. There are three (3) members of the Board that must be present to hold a hearing.

3. Student Government Association Judicial Board (SGA Judicial Board)

Generally used when a responding student chooses to contest all the allegations and the case is determined to be best heard by a panel of peers due to the nature of the case. The selection of the members of the SGA Judicial Board is the responsibility of the Student Government Association and is defined in Article III of the SGA Constitution. The SGA Judicial Board is comprised of five Justices, one student from each class year (first year, sophomore year, junior year, and senior year students) and one student from three-year degree students. The training of these Justices with regards to the student conduct process is the responsibility of the AVPSE or designee. All Justices have the opportunity to serve on a hearing body for active student conduct cases and there must be three (3) Justices present to hold a hearing.

B. Requirements for Serving on a Hearing Body**1. Serving on the Administrative Body or College Hearing Board**

To serve on the Administrative Body or College Hearing Board, the administrative, faculty and/or staff member must:

- 1) Participate in the mandatory training done by the AVPSE or designee.
- 2) Develop a clear understanding of the Code of Student Conduct.
- 3) Become familiar with the procedure for handling a case.
- 4) Make a collective, informed, unbiased decision for each hearing.

2. Serving on the Student Government Association Judicial Board

To serve on the SGA Judicial Board, the student member (Justice) must:

- 1) Be currently enrolled at Hartwick, in good academic standing, and have a cumulative GPA of at least 2.5.
- 2) Have a record of good campus citizenship and be in good standing with the Office of Student Conduct throughout the term(s) in which they serve.
 - a) Good standing is defined as having no record of misconduct during the term(s) in which a Justice wishes to serve on the Judicial Board.
 - b) Justices who are documented during the term(s) in which they are serving may be prohibited from participating in future hearings for the duration of their term(s) based on a determination by the AVPSE.
- 3) Be available for the identified SGA Judicial Board meeting time(s) if requested by the Office of Student Conduct or the AVPSE or designee.
- 4) Not serve as a Resident Advisor as this would be a clear conflict of interest.
- 5) Participate in the mandatory training facilitated by the AVPSE or designee.
- 6) Develop a clear understanding of the Code of Student Conduct.
- 7) Become familiar with the procedure for handling a case.
- 8) Make a collective, informed, unbiased decision for each hearing.

The AVPSE or designee will have final authority to approve all those serving on any of the hearing bodies. The AVPSE or designee is responsible for training the panel. In the event someone resigns from a hearing body, the AVPSE or designee will solicit a replacement.

All hearing bodies are provided the discretion to render any Educational Outcome(s) deemed appropriate and are not bound by any prior proposals that may have been made by the AVPSE or designee.

X. Student Conduct Hearing Options and Preparation

In the event a responding student rejects the proposed charge(s) or the Educational Outcome(s) set forth by the AVPSE or designee at the Educational Conference, a formal hearing will occur and the hearing will be adjudicated by one of the three possible types of hearing bodies.

The AVPSE or designee has the ultimate discretion to determine which hearing body will adjudicate the dispute at issue.

Students subject to a hearing will be given a minimum of five (5) business days to prepare unless all parties wish to proceed more quickly. Preparation for a hearing, regardless of which type of hearing body adjudicates the dispute, is summarized in the following guidelines:

- 1) Notice of the time, date and location of the hearing will be in writing and may be delivered by one or more of the following methods: in person by the AVPSE or designee; mailed to the local or permanent address of the student as indicated in official Hartwick records; or emailed to the student's Hartwick-issued email account via Maxient. Once mailed, emailed and/or received in-person, such notice will be presumptively delivered.
- 2) If there is an alleged victim of the conduct in question, the alleged victim generally will not serve as the party bringing the complaint. Hartwick administration will generally serve as the party bringing the complaint forward. Where there is no alleged victim or the victim chooses not to pursue, Hartwick administration will serve as the party bringing the complaint forward.
- 3) At least four (4) business days before any scheduled hearing, the following will occur:
 - a) The *responding student* may choose to deliver to the AVPSE or designee a written response to the charges;
 - b) The *responding student* will deliver to the AVPSE or designee a written list of all witnesses, with direct knowledge of the incident, for Hartwick to attempt to call at the hearing who are not identified in the initial incident documentation;

- c) The *responding student* will deliver to the AVPSE or designee all physical evidence the student intends to use or needs to have present at the hearing that is not already in the College's possession and/or will indicate who has possession or custody of such evidence, if known, so that the AVPSE or designee can attempt to arrange for its presence;
 - d) The *complainant* will deliver to the AVPSE or designee a written list of all witnesses, with direct knowledge of the incident, for Hartwick to attempt to call at the hearing who are not identified in the initial incident documentation;
 - e) The *complainant* will deliver to the AVPSE or designee all items of physical evidence needed at the hearing that are not already in the College's possession and/or will indicate who has possession or custody of such evidence, if known, so that the AVPSE for Student Experience or designee can attempt to arrange for its presence;
 - f) The *complainant* and the *responding student* will notify the AVPSE or designee the name of their procedural advisor, if any, who may assist them in their preparation and the hearing process. Please note that the procedural advisor may not be affiliated or otherwise involved with the case under review.
- 4) The name(s) of the panelist(s) or hearing officer(s) will be shared with the parties in advance of any hearing. If the parties have concerns with any panelist or hearing officer, the party must contact the AVPSE or designee and raise their concerns in writing. The AVPSE or designee will then determine if the panelist or hearing officer's potential bias precludes an impartial hearing and act accordingly.
 - 5) The AVPSE or designee will ensure that the hearing information and any other available written documentation is shared with the parties at least four (4) business days before any scheduled hearing.

XI. Student Conduct Hearing Panel Procedures

In the case of a hearing adjudicated by either a College Hearing Board or SGA Judicial Board, the AVPSE or designee will appoint one panelist as the Chairperson for the hearing. The parties have the right to be present during their portion of the hearing; however, they do not have the right to be present during the other party's presentation, witness testimony to the hearing body or deliberations. If either the complainant or the responding student cannot attend the hearing, it is that student's responsibility to notify the AVPSE or designee as identified no less than three (3) business days prior to the scheduled hearing. Except in cases of grave or unforeseen circumstances, which will be considered by the AVPSE or designee in advance, if the student, group or organization fails to give the requisite minimum three (3) business day notice, or if the student, group or organization fails to appear, the hearing will proceed as scheduled and a

determination will be made *in absentia* utilizing the information included in the hearing documentation and information/testimony from others at the hearing. Hartwick also reserves the right to drop the charges, as determined by the AVPSE or designee.

All hearings, regardless of the specific hearing body, will be conducted according to the following guidelines:

- 1) Hearings will be closed to the public.
- 2) Admission to the hearing of persons other than the parties involved will be at the discretion of the AVPSE or designee.
 - a. The parties involved are considered to include, but are not limited to, the following: the hearing body membership, the complainant or respondent, their procedural advisor, other involved parties, any identified witness(es) and the AVPSE or designee.
- 3) In hearings involving more than one responding student the standard procedure will be to hear the case jointly if permitted by applicable law; however, the AVPSE or designee may permit the hearing related to each responding student to be conducted separately. In joint hearings, separate determinations of responsibility will be made for each responding student, group or organization.
- 4) In a hearing involving more than one complainant the standard procedure will be to hear each complainant separately; however, the AVPSE or designee may permit this to be combined into one case if permitted by applicable law.
- 5) The parties have the right to a procedural advisor of their own choosing. Please note that the procedural advisor may not be affiliated or otherwise involved with the case under review. Once the case is concluded, the role of the procedural advisor is also concluded.
- 6) The hearing body will have the ability of questioning all present witnesses and questioning all present parties. Unduly repetitive witnesses can be limited at the discretion of the Chairperson and/or the AVPSE or designee. It should be noted that the hearing body is the only party permitted to ask questions of those directly involved. A complainant or responding student does not have the privilege to question the other party or witnesses during a College hearing process.
- 7) Pertinent records, exhibits, and written statements may be accepted as information for consideration by the hearing body. Formal rules of evidence are not observed. The hearing body may limit the number of witnesses presented or may accept written

affidavits instead. Character witnesses and/or character witness statements are not considered relevant.

8) All procedural questions are directed to the AVPSE or designee and subject to their final decision.

9) After a hearing is completed, a determination will be made based on a preponderance of the evidence whether the responding student has violated the Code. In the case of a hearing conducted by the College Hearing Board or SGA Judicial Board, majority vote will govern.

10) There will be a single verbatim record, such as an audio recording, for all hearings. Deliberations will not be recorded. The record will be the property of Hartwick and maintained according to Hartwick's record retention policy. Students may not make personal recordings of any nature.

The AVPSE or designee will be present and available as a resource during deliberations. Once a finding is determined, if the finding is that of a policy violation, the hearing body will determine an appropriate Educational Outcome(s). The AVPSE or designee is responsible for informing the hearing body of applicable precedent and any previous conduct violations or other relevant pattern information about the responding student.

The hearing body will prepare a written report and deliver it to the AVPSE or designee, detailing their finding, the information cited by the panel in support of its recommendation, and any information the panel excluded from its consideration and why. This report should conclude with the Educational Outcomes.

The AVPSE or designee will review the recommendations of the panel to ensure that the outcomes are proportionate to the offense and are consistent with practice. The AVPSE or designee may make appropriate modifications to the panel's decision if/when it is determined that the outcomes are disproportionate and/or not consistent with previously established precedent. In this case, the AVPSE or designee would provide a written report detailing the justification for the modification, as permitted by law and Hartwick policy.

The AVPSE or designee will then provide the decision letter and inform the responding student, group or organization and party bringing the complaint (if permitted by law and Hartwick policy) of the final determination. Notification will be made in writing and may be delivered by one or more of the following methods: in person by the AVPSE or designee; mailed to the local or permanent address of the student as indicated in official Hartwick records; or emailed to the student's Hartwick-issued email account via Maxient. Once mailed, emailed and/or received in-person, such notice will be presumptively delivered.

SECTION 6: Conduct Point System and Educational Outcomes

I. Point System

The conduct point system was put into place in order to make the Educational Outcome process clear, more consistent, and more predictable for students. Under the conduct point system, a student found responsible for violating the Code is assigned points using the table below as a guideline. The consequences resulting from these points are in addition to, and not in lieu of, other Educational Outcomes that may be assigned as provided below.

Points and/or other Educational Outcomes are assigned at the conclusion of the hearing process when a person is found responsible. Points are cumulative. Higher point values may be assigned to repeat or more egregious offenses.

For example, an underage student found responsible for possessing an open container of alcohol is assigned two (2) points [one (1) point for an open container and one (1) point for underage drinking]. Similarly, a student who is assigned one (1) point in September for underage drinking and, in October, is found responsible for disabling a fire safety device, is assigned six (6) additional points. The student's point total is now seven (7) points. In addition, policy violations that occur during the last week of classes through the start of the following term may result in double point assignments.

If through one incident or a series of incidents, a student accumulates:

- **4 - 5 points**, the student's parent(s) or guardian and coach may be notified of the infraction(s).
- **6 - 9 points**, all of the above, and the student will be placed on a status of disciplinary probation. Students with 6 or more points may be prohibited from studying abroad, may not be eligible to live off campus when applicable and are penalized in the housing lottery (100 additional points will be subtracted from their housing points for housing selection).
- **10 or more points**, all of the above and the student may be separated from the College for a period of time to be determined by the AVPSE or designee, but no less than one term.

The chart below shows examples of violations and the associated point values. Points are assigned within a given range based upon the circumstances of the specific incident. This list is not inclusive of all possible violations, and points may be assigned for other violations as appropriate.

Point Range	Violation
0	Good Samaritan opportunity for a student or organization who discovers and assists a student whose health or safety is at risk by contacting a college administrator, campus safety or health care professional.

8-10	Illegal drug use and/or possession (more than 2 ounces of marijuana).
10	Distribution of any illegal/controlled substances.
10	Drinking accompanied by violence regardless of age (fighting, forced entry, etc.) that results in physical injury.

* Students found responsible for intentional or reckless destruction of Hartwick or private property may be assigned 10 points and be separated from Hartwick. Exception will be given to those students who show integrity and responsibility and turn themselves in to Campus Safety, Residential Life or the AVPSE within 48 hours following the incident. These students will be assigned a minimum of four (4) points and required to pay twice the cost of the repair, up to \$1000, with a \$100 minimum charge.

II. Point Forgiveness

Two (2) points are forgiven every six (6) months. Any new points from subsequent violation(s) are added to those from the previous violation. Zero (0) points is the lowest points allowable.

III. Educational Outcomes

In addition to the consequences resulting from accumulation of points, one or more of following Educational Outcomes may be imposed upon any student for any single violation of the Code:

- 1) **Warning.** An official written notice that the student has violated Hartwick policies and/or rules and that more severe conduct action will result should the student be involved in other violations while the student is enrolled at Hartwick.
- 2) **Restitution.** Compensation for damage caused to Hartwick or any person's property. This could also include situations such as failure to return a reserved space to proper condition. This is not a fine, but rather a repayment for labor costs and/or the value of property destroyed, damaged, consumed, or stolen.
- 3) **Fines.** Reasonable fines may be imposed.
- 4) **Community/Hartwick Service Requirements.** For a student or organization to complete a specific supervised Hartwick service.

- 5) **Loss of Privileges.** The student will be denied specified privileges for a designated period of time.
- 6) **Confiscation of Prohibited Property.** Items whose presence is in violation of Hartwick policy will be confiscated and will become the property of Hartwick. Prohibited items may be returned to the owner at the discretion of the AVPSE or designee and/or Campus Safety.
- 7) **Behavioral Requirement.** This includes required activities including, but not limited to, seeking academic counseling or substance abuse screening, writing a letter of apology, etc.
- 8) **Reflective Assignment.** This may include requiring the student to complete a reflective action including but not limited to responding to specific questions outlined in the decision letter, researching and providing reflection to a specific topic, or responding to an identified reading assignment.

Conditions for readmission to Hartwick housing may be specified. Under this Educational Outcome, a student is required to vacate Hartwick housing within 24 hours of notification of the action, though this deadline may be extended upon request to, and at the discretion of, the AVPSE or designee. This Educational Outcome may be enforced with a trespass action if deemed necessary. Prior to reapplication for Hartwick housing, the student must gain permission from the AVPSE. This Educational Outcome may include restrictions on visitation to specified buildings or all Hartwick housing during the suspension.
- 16) **Hartwick Housing Expulsion.** The student's privilege to live in, or visit, any Hartwick housing structure is revoked indefinitely. This Educational Outcome may be enforced with a trespass action if deemed necessary.

The student is required to vacate the campus within 24 hours of notification of the action, though this deadline may be extended upon application to, and at the discretion of, the AVPSE or designee. During the suspension period, the student is banned from Hartwick property, functions, events and activities without prior written approval from the AVPSE or designee. This Educational Outcome may be enforced with a trespass action as necessary. This Educational Outcome will be noted as a Conduct Suspension on the student's official academic transcript.

- 19) **Hartwick Expulsion.** Permanent separation from Hartwick. The student is banned from Hartwick property and the student's presence at any Hartwick sponsored activity or event is prohibited. This action may be enforced with a trespass action as necessary. This Educational Outcome will be noted as a Conduct Expulsion on the student's official academic transcript.
- 20) **Other Educational Outcomes.** Additional or alternate Educational Outcomes may be created and designed as deemed appropriate to the offense with the approval of the AVPSE or designee.

The following Educational Outcomes may be imposed upon groups or organizations found to have violated the Code:

- 1) One or more of the Educational Outcomes listed above; and/or
- 2) Deactivation, de-recognition, loss of some or all privileges (including status as a Hartwick registered group/organization), for a specified period of time or permanently.

Please note that this is not a comprehensive list and other outcomes may be developed depending on the situation.

IV. Parental Notification

Hartwick reserves the right to notify the parents/guardians of dependent students regarding any conduct situation, particularly alcohol and drug violations, or where the outcome changes the student's living or attendance status. Hartwick may also notify parents/guardians of non-dependent students who are under the age of 21 of alcohol and/or drug violations. Parental notification may also be utilized discretionarily by administrators when permitted by the federal Family Educational Rights and Privacy Act (FERPA) or with written consent of the student.

V. Notification of Outcomes

The outcome of a campus hearing is part of the education record of the responding student and is protected from release under the Federal Education Rights and Privacy Act (FERPA), except under certain conditions. As allowed by FERPA, when a student is accused of a policy violation that would constitute a "crime of violence" or forcible or non forcible sex offense, Hartwick will inform the alleged victim/party in writing of the final results of a hearing regardless of whether Hartwick concludes that a violation was committed. In addition, Hartwick will notify others as where permitted by local, state and federal law. Such release of information may only include the alleged student's/responding student's name, the violation committed, the Outcomes assigned (if applicable), and whether Outcomes were completed. In cases of sexual misconduct and other

offenses covered by Title IX, the decision will be shared with all parties to the complaint in addition to the findings and Outcomes.

In cases where Hartwick determines through the student conduct process that a student committed a policy violation that would constitute a “crime of violence,” or a non forcible sex offense, Hartwick may also release the above information publicly and/or to any third party.

A “crime of violence” includes but is not limited to the following list:

- Arson
- Assault offenses (includes simple assault, aggravated assault, intimidation or stalking)
- Burglary
- Criminal Homicide—manslaughter by negligence
- Criminal Homicide—murder and non-negligent manslaughter
- Destruction/damage/vandalism of property
- Kidnapping/abduction
- Robbery
- Forcible sex offences
- Non-forcible sex offences

VI. Failure to Complete Conduct Educational Outcomes

All students, as members of the Hartwick community, are expected to comply with Educational Outcomes within the timeframe specified by the AVPSE or designee. Failure to follow through on conduct Educational Outcomes by the date specified, whether by refusal, neglect or any other reason, may result in additional Educational Outcomes and/or charges of additional policy violations at Hartwick. In such situations, resident students may be required to vacate Hartwick housing within 24 hours of notification by the AVPSE or designee, though this deadline may be extended upon application to, and at the discretion of, the AVPSE or designee. In addition, if a student’s conduct history warrants, a separation from Hartwick may be imposed in the form of a suspension for a designated period of time. A suspension will only be lifted when compliance with the student conduct Educational Outcomes is satisfactorily achieved and the time frame identified has expired. This determination will be made by the AVPSE or designee.

SECTION 7: THE APPEALS PROCESS

I. Grounds for Appeal

Any party may request an appeal of a decision that was rendered through a student conduct hearing by filing a written request to the AVPSE or designee, subject to the procedures outlined below.

Should an appeal involve a Title IX violation, the student will complete the *Notice of Desire to Appeal* form as part of their written notice, and the appeals process outlined in the Sex Discrimination, Harassment and Misconduct Policy (section IV, E) will be utilized. If charges relating to the Code of Student Conduct are also being appealed, the AVPSE or designee will serve as a resource to policy, procedure and precedent for the appeals panel throughout the appeal process.

Appeal requests are limited to the following grounds:

- 1) A procedural error occurred that is alleged to have a direct impact on the outcome of the hearing; and/or
- 2) To consider new evidence, that has come to light that could have a direct impact on the outcome and which was not available before or during the investigation and/or hearing process (a detailed summary of this new evidence and its potential impact must be included in the request for appeal); and/or
- 3) The Outcomes imposed are substantially disproportionate to the severity of the violation(s).

II. Initial Appeal Procedures

- 1) All appeals must be filed in writing, through the completion of the *Notice of Desire to Appeal* form, and submitting it to the AVPSE or designee within three (3) business days of receiving their *Notification of Outcomes* letter which identifies the hearing decision, barring exigent circumstances. Exceptions to the abovementioned filing deadline are up to the discretion of the AVPSE or designee and, when appropriate, the Title IX Coordinator.
- 2) All appeals must set forth, in writing, the grounds for the appeal as identified in Section 7, I.

- 3) Upon receipt of a request for an appeal, the AVPSE or designee will share the appeal with the non-appealing party (parties) when appropriate.
- 4) Upon receipt of a request for an appeal, such a request will be reviewed and referred to an Appeal Review Officer, identified by the AVPSE or designee.
- 5) The Appeal Review Officer will conduct an initial review of the appeal to determine if the request meets the limited Grounds for Appeal (Section 7, I) and is timely (Section 7, II (1)). The Appeal Review Officer may consult with the AVPSE or designee, and the Title IX Coordinator when appropriate on any procedural or substantive questions that arise.
- 6) If the Appeal Review Officer determines that the appeal is not timely or adequate grounds for appeal have not been claimed, the original finding and Outcome will stand and the decision is final.
- 7) If the Appeal Review Officer determines that the appeal is timely and adequate grounds for the appeal have been set forth, the Appeal Review Officer will determine whether to:
 - a) Refer the appeal directly to an Appeals Panel or;
 - b) Remand the proceeding back to the original hearing body.
- 8) Should a matter be remanded back to the original hearing body and a showing is made that the original hearing body is unduly biased by a procedural or substantive error, a new hearing body may be constituted to reconsider the matter, the decision of which can in turn subsequently be appealed.
- 9) Efforts should be made to use remand when appropriate, with clear instructions that on remand the proceeding will be limited to those grounds identified in the appeal and the case will not be reconsidered in its entirety. Generally the College will make attempts to complete this process within 14 days, barring extenuating circumstances.

III. The Appeals Panel

A. Composition

The Appeals Panels shall consist of three (3) members, with the following requirements to serve:

- 1) They did not serve as either an Administrative Hearing Officer, nor were they on the SGA Judicial Board or College Hearing Board for the initial hearing;
- 2) They were not involved in the investigation in any way; and
- 3) They have been properly trained on the appeals procedures by the AVPSE or designee.

The AVPSE or designee serves as the non-voting advisor to the panel ensuring a fair process for the complainant and responding student, and ensures the hearing process is in accordance with all policies and procedures of the College.

B. Designation of The Appeals Panel

- The Appeal Review Officer will have final authority to approve and designate all those serving on the Appeals Panel.
- The Appellant may challenge a panelist(s) on the basis of potential bias, and any panelist who cannot render an impartial decision must recuse themselves. Procedures for challenging a panelist follow the same procedure as challenging a hearing officer which is outlined in Section 5, X. 4.
- The Appeal Review Officer will make the determination as to the validity of any challenge or need for recusal. In the event of a recusal from the panel, the Appeals Review Officer, in consultation with AVPSE or designee, will solicit a replacement.

IV. Hearings before the Appeals Panel

- 1) Appeals are not intended to be full re-hearings of the original case (de novo). In most situations, appeals are confined to a review of the written documentation or record of the original hearing, and pertinent documentation regarding the grounds for appeal.
- 2) Appeals are not an opportunity for the Appeals Panel to substitute their judgment for that of the original decision-maker merely because they disagree with the finding and/or Educational Outcomes. Appellate decisions are to be respectful to the original hearing body, making changes to the finding only where there is clear error and to the Educational Outcomes only if there is a compelling justification to do so.
- 3) On appeal, the appealing party will have the opportunity to present his/her case to the Appeals Panel in writing and provide support as to why the decision of the original hearing body should be reversed and/or modified.

- 4) On appeal, the non-appealing party will similarly have the opportunity to present to the Appeals Panel in writing why the decision of the original hearing body should be upheld.
- 5) Following a review of the documentation presented in the appeal, the Appeals Panel can render one of the following decisions:
 - a) Affirm the original hearing body's finding and Educational Outcome(s).
 - b) Remand the matter to the original hearing body with specific instructions as to basis for remand and issues to address on remand.
 - c) Modify either the original hearing body's findings or Educational Outcome(s), with clear justification for the modification.
 - d) Reverse the original hearing body's findings, with clear justification for the reversal.

V. Treatment of Original Hearing Body's Determination Pending Appeal

The presumptive stance of Hartwick is that all decisions made by any hearing body and/or Outcomes imposed by the original hearing body are to be implemented during the appellate process.

At the discretion of the AVPSE or designee, and in consultation with the Title IX Coordinator when necessary, implementation of Educational Outcomes may be stayed pending review only in extremely exigent circumstances. This does not include proximity to graduation, end of term, or exams.

SECTION 8: Administrative Notification

I. Disciplinary Records

All conduct records are maintained by Hartwick for seven (7) years from the time of graduation or separation from the college, except those that result in separation due to suspension or expulsion, and those that fall under Title IX, which are maintained indefinitely.

II. Approval and Implementation

This *Code of Student Conduct* was last edited on July 24, 2019, and implemented on July 24, 2019.

Minor grammatical changes or differences were made as of the *Last Updated* header and are tracked by a representative of the Office of Student Conduct. All changes can be provided per written request.

Addendum: Graduate Students**I. Student-Graduate Assistant - Faculty Relationship**

The professor in the classroom and in conference shall encourage free discussion, inquiry, and expression; teaching or research assistants shall also abide by this and the following statements in this section as applicable to either or both of their capacities as teaching assistants and students. Students shall be free to take reasoned exception to the data or views offered in any course of study, based on acceptable interpretation and/or documentation, and to reserve judgment about matters of opinion.

II. Professional Ethics

All members of the Hartwick Community, regardless of position, should share the common values that nurture the development and wellbeing of themselves, each other, the students, employees, and the College. It is expected that no one in privileged positions of leadership and power would inappropriately exploit their position for personal advantage. Because of a power asymmetry, a teaching or research assistant is prohibited from having a sexual or romantic relationship with an undergraduate student. Moreover, in accord with College-wide employee policies, discrimination and harassment in all its forms, including sexual harassment are considered to be serious offenses that are prohibited at Hartwick College, not only as a matter of policy, but as a matter of Federal and State law.

Addendum: COVID-19 Policy**I. COVID-19 Quarantine and/or Isolation Expectations**

Hartwick College will defer to all instructions from the Otsego County Department of Health or other State and Federal entities in the event that a student is required to go into quarantine due to an exposure to an individual who has tested positive or into isolation due to a positive test result.

In general, if a student is placed into quarantine or isolation, they will be moved to a designated housing location on-campus or remain in place if their housing is off campus. Students may also be encouraged to return home if the travel distance is feasible.

Once placed into quarantine or isolation, the student is expected to remain there until officially released by the Department of Health.

If a student breaks quarantine or isolation, they will be charged through the Student Conduct process with a Failure to Comply charge and a Disruptive Behavior - On Campus or Disruptive Behavior - Off Campus charge as applicable.

A first offense for students who break quarantine or isolation will receive the maximum number of conduct points per violation permissible based on the Code of Student Conduct.

A second offense for students who break quarantine or isolation will result in a student's separation from the college for a period to be determined by the AVPSE or designee.

II. COVID-19 Vaccination Policy

In support of Hartwick College's commitment to health and safety for all members of our community, the College will, with limited exceptions set forth in this policy, require all students, faculty and staff who will live, study or work (as applicable) on campus during the Fall 2021 semester to be fully vaccinated with an approved COVID-19 vaccine as described in the College's **COVID-19 Vaccination Policy**.

The full text of the policy can be viewed from the Hartwick website by clicking on or entering the following URL.

III. COVID-19 Vaccine Accommodation

Per the College's COVID-19 Vaccination Policy, individuals may request reasonable accommodations to excuse compliance with the policy.

A. Applying for a COVID-19 Vaccine Accommodation

In order to receive a vaccine accommodation, a student must apply on the grounds written in the College's COVID-19 Vaccination Policy linked to in section I of this Addendum.

B. Testing Requirements for a Vaccine Accommodation

Any student who has been granted a Vaccine Accommodation is required to obtain a weekly COVID-19 test and provide the results to the Perrella Health Center by 4 pm each Thursday.

1. Options for Obtaining a weekly COVID-19 Test

- a) **On-Campus Option.** Hartwick College has made a weekly COVID-19 test available through the Perrella Health Center at a cost of \$15.00 USD per test. The cost per test will be charged to the Student's account. Students who have an approved vaccine accommodation will be provided with a link to select an appointment time with the College. If a student is tested on campus, the Perrella Health Center will have access to your test results.
- b) **Off-Campus Option.** Alternatively, arrangements may be made by the student to obtain a weekly COVID-19 test off-campus. Students who decide to choose this option should consider transportation to their chosen testing facility and the time to receive results. If a student is tested off campus, the student will need to send their test results to the Perrella Health Center by emailing them to testresults@hartwick.edu.

2. Failure to meet the Testing Requirement

Failure to test on campus or to submit your negative from an off-campus provider on a weekly basis throughout the 2021-22 academic year will result in you being suspended for the duration of the current academic term, you will have no access to campus during this suspension, and are subject to the associated academic and financial policies that are applicable to a suspension.

IV. 2021 Fall Term Mask Policy

This policy has been created to ensure the safety of all Hartwick Community members. This policy will be reviewed throughout the academic year with the potential that it will be revised based on Federal, State, and Local guidelines.

A. Face Covering Requirement for Vaccinated Individuals

Face coverings are not required to be worn by vaccinated individuals unless the College has made a determination that they are required to do so due to changes in the response to the pandemic based on Federal, State, and Local guidelines.

B. Face Covering Requirement for Unvaccinated Individuals

Face coverings must be worn by unvaccinated individuals at all times indoors and outdoors on the Main Hartwick Campus or the Pine Lake Environmental Campus, except when alone in their residence, attending to personal hygiene, or eating.

1. Failure to comply with the Face Covering Requirement

Campus Safety will investigate suspected incidents of unvaccinated individuals not adhering to the face covering requirement. If the investigation finds that the student in question was in violation of this face covering requirement, this student will immediately be suspended for the duration of the current academic term, they will have no access to campus during this suspension, and are subject to the associated academic and financial policies that are applicable to a suspension.
